Princess Swag over Tailored Curtain in Platinum

Eastover Stripe

~exclusive~

Alternating matte and glossy stripes are bordered by a gold black faux-braid on either side, all woven on a solid-colored ground with a lustrous sheen that highlights the striped pattern. Lined for light control and made of easy-care fabric, Eastover Stripe lends itself to formal and casual settings alike.

Toile in Three Colors

~exclusive~

It has such a pleasingly unusual pattern. Up close, you see its stories; at a distance, you see a colorful print. And in spite of the simple country style it tells, Toile is usually found in a slightly more formal room. We're happy to offer it to you for the window, in several styles, and for the bed. USA Made at our own factory.
