easy upgrades to customize your selections

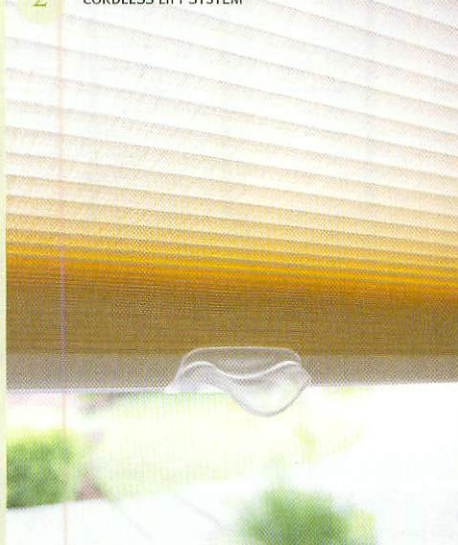

- 1 Want the most versatile + efficient honeycomb, anywhere? This one has it all! Add operating ease, infinite light control plus safety insurance...all for one low price in any size! Our revolutionary Cordless Top Down/Bottom Up upgrade lets you lower shades from the top to let in light, while they stay closed at the bottom to preserve privacy. You can also raise from the bottom in conventional fashion. It's all accomplished with an easy push or pull of a handle – no more dangling lift cords that can be safety hazards for small children or playful pets!
- 2 Need extra child safety + effortless operation? Add Loop Control or Cordless Lift Those dangling, dangerous lift cords are history with Loop Control! And for child and pet safety plus shades that are a breeze to raise, lower and position, choose our Cordless Lift System.
- 3 Love to have more light control + privacy? Top Down/Bottom Up is for you! Amazingly simple, and simply amazing! Lower shades from the top to let in light, while the bottom stays put to maintain privacy. You can also raise them conventionally from the bottom.

Let the pros do it! **free measuring** for guaranteed perfect fit!
Special Offer ends April 7, 2009. Details on back cover.

High-humidity kitchens. Steamy bathrooms. Durawood blinds bravely go against the grain by tackling windows where wood simply won't do. Try them in laundry rooms, playrooms or other casual spaces, too. Of course being practical doesn't mean you can't keep up appearances. Our Durawood Blinds are exceptionally well made to mimic the appearance of real wood – they could fool your most finicky friends. But rest easy. They're built from an incredibly rugged polymer that won't warp, crack or fade. Finish them with decorative ladder tapes just like our natural Wood Blinds, to give any window that "Wood Blind beauty" ...without the worry!

enhance looks + performance with these upgrades

1 Want to pull a wide window together? 2 on 1 Headrail also adds light control

Give wide windows a uniform, streamlined appearance and maximize your light control options with this convenient upgrade that combines two side-by-side blinds under one headrail!

2 Need extra child safety + effortless operation? Add our Loop Control System

Those dangling, dangerous lift cords are history! It's safer for kids and pets, a breeze to raise and lower! This is the affordable upgrade every home needs.

3 How to dress up Durawood's practical good looks? Accent with Ladder Tape!

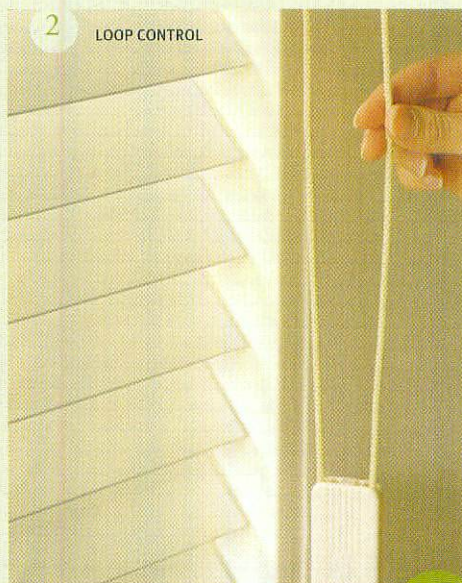

Pretty and practical, it adds a pop of color to your blinds while covering route holes so sunlight won't poke through when closed. See p14 or go online for full selection.

wood blinds

We love Wood Blinds. They're one of those "can't miss" decorating choices that simply always look right. Wood brings out a room's character, accentuating wood floors and furniture while making your home feel warm and welcoming. Like you, our well-made Wood Blinds are born multi-taskers; they control light, conserve energy, even make street noises less noticeable – plus they look so pretty in the process. Multiple slat sizes let you take nearly any window into the woods, more affordably than you might think.

crafted with such enduring quality that they can even increase the market value of your home.

easy upgrades to customize your selections

1 Want to pull a wide window together? 2-on-1 Headrail also adds light control

Give wide windows a uniform, streamlined appearance and maximize your light control options with this convenient upgrade that combines two side-by-side blinds (which you can operate independently) under one headrail.

2 Looking for extra child and pet safety? Lose the lift cord with Loop Control

Enables you to evenly raise, lower and precisely position blinds with a continuous loop secured by a cord guide. Also eliminates dangling lift cords for added child and pet safety.

3 Want to create that "built in" look? Top your blinds with a hardwood Valance

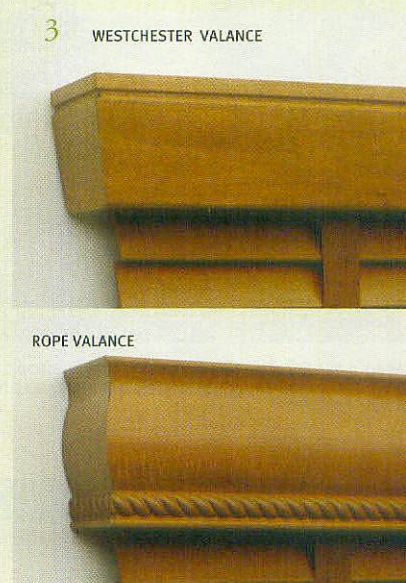

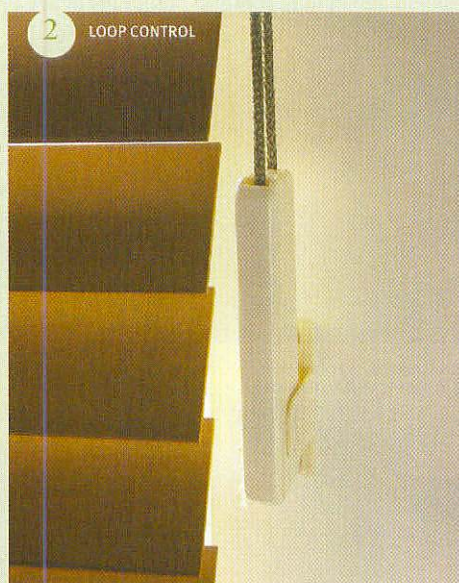

All smith+noble® Wood Blinds come with a standard wood valance. For enhanced style, and to complement other molding or trim in your room, consider one of our exclusive Valance upgrades, crafted of fine hardwoods.
